SOURCE Ostatnie Wiadomosci, No 120, 1949.LISTS SOVIET PLANS FOR 1950

Moscow. -- In June 1949, the Supreme Soviet met in the Kremlin. Because of the indiscretion of some members, news leaked out on political and military resolutions covering the following eight points:

1. Communist conquest of China must be completed no later than spring 1950.
2. Preparations must be made for the following events in 1950: a Communist coup in Iran, civil war in India and Pakistan, armed conflict between Pakistan and Afghanistan.
3. Indochina must be communized in 1950 and the other countries of South-east Asia by 1951.
4. By mid-1950, 11 armies of parachutists -- a total of one-half million men -- must be ready for action.
5. Production of rocket weapons, particularly V-2, must be increased.
6. By spring 1950, V-2 launchers must be ready in East Prussia, the Pat-samo region, and Chukotsk peninsula.
7. Sovietization of East Germany is to be carried out by mid-1950.
8. The cold war is to be continued and intensified through strikes and riots.
